Nothing invented. Just moved up.

A photo shows it. The page has to sell it.

? what they ask themselves → FIX the change I made

? "What will it do for my skin?"

FIX Outcome headline on the hero. The name sits under it.

? "Is it safe in pregnancy?"

FIX The answer was in an accordion. Now it's a chip.

? "What does it cost?"

FIX ₹539 and Add to Cart on screen one, not 1,870px down.
