? what they ask themselves → FIX the change I made

? "What do they even sell?"

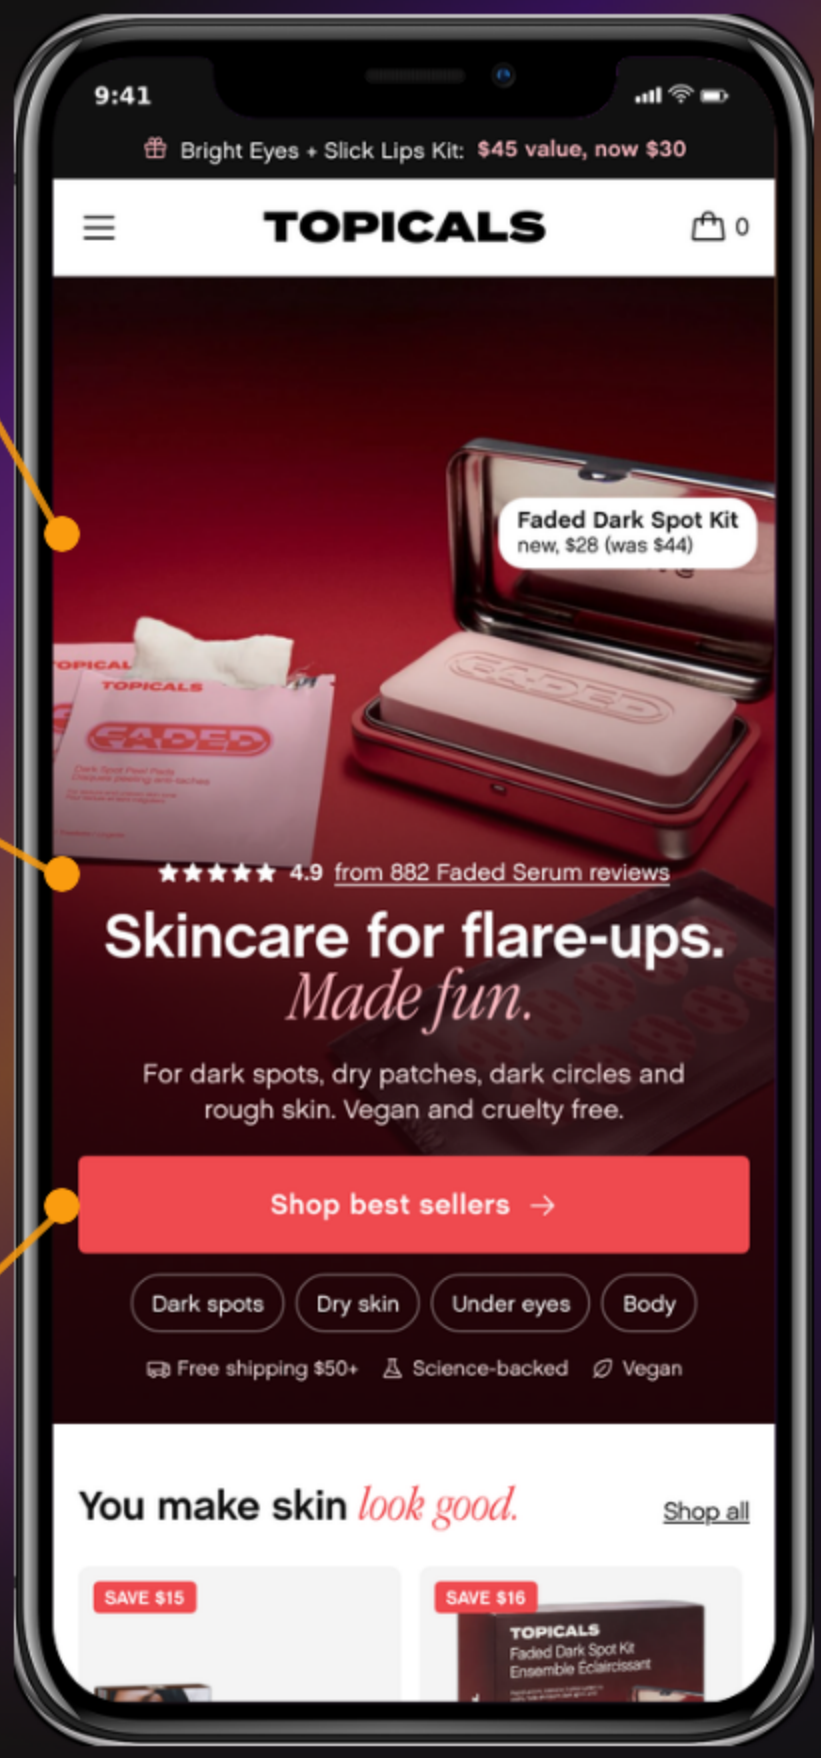

FIX Their own kit photo, then a headline that says it: skincare for flare-ups.

? "Does it actually work?"

FIX 4.9 from 882 Faded Serum reviews, above the headline. The old page showed no stars at all.

? "Where do I tap?"

FIX One red button, and the scratch card no longer sits on it.
