FIRST SCREEN LEAKS

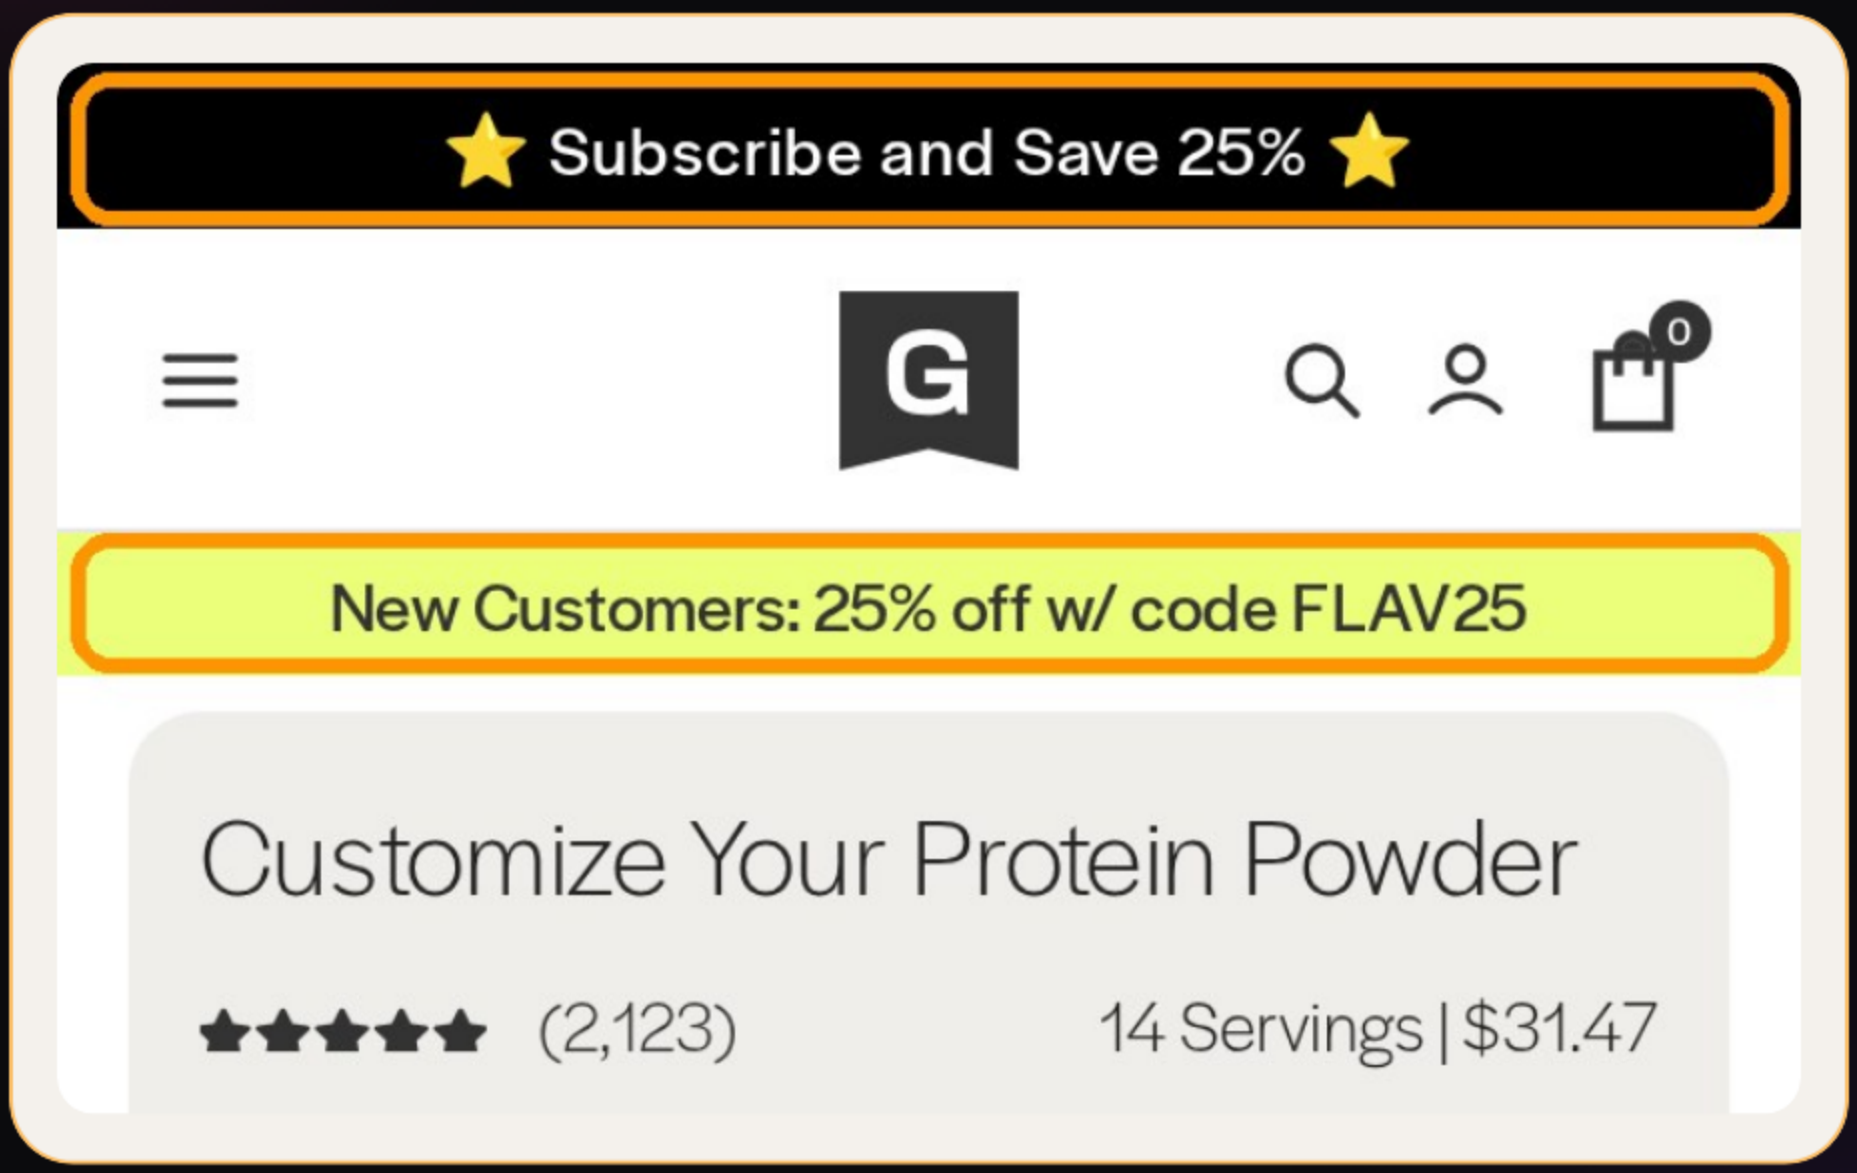

Fix them before
Black Friday traffic lands.

SWIPE →

@koolestpro | Shopify CRO & UX

LEAK #1

Two offers. One screen.

gainful.com, captured Aug 2026

25% to subscribe. 25% with a code. Which one do I get?

LEAK #2

H1

Back in stock is not a headline.

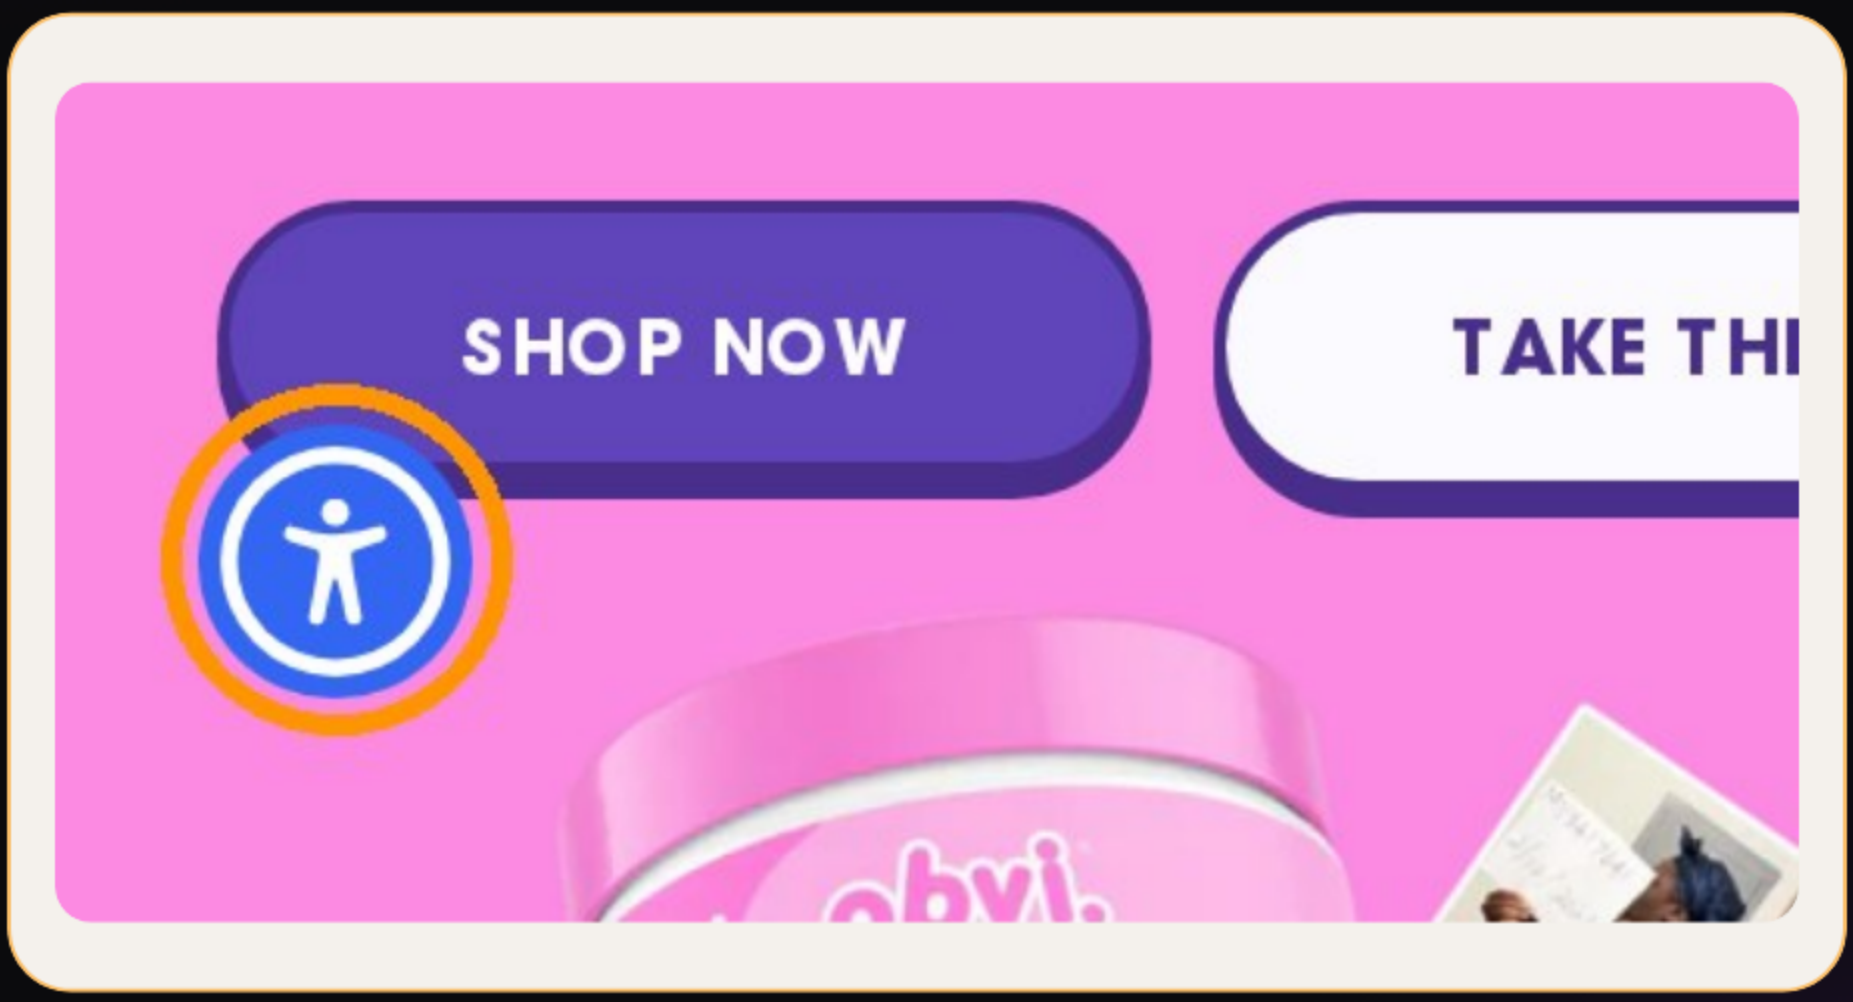

myobvi.com, captured Aug 2026

Say what it is and what it does. Then the restock note.

LEAK #3

An app sits on your button.

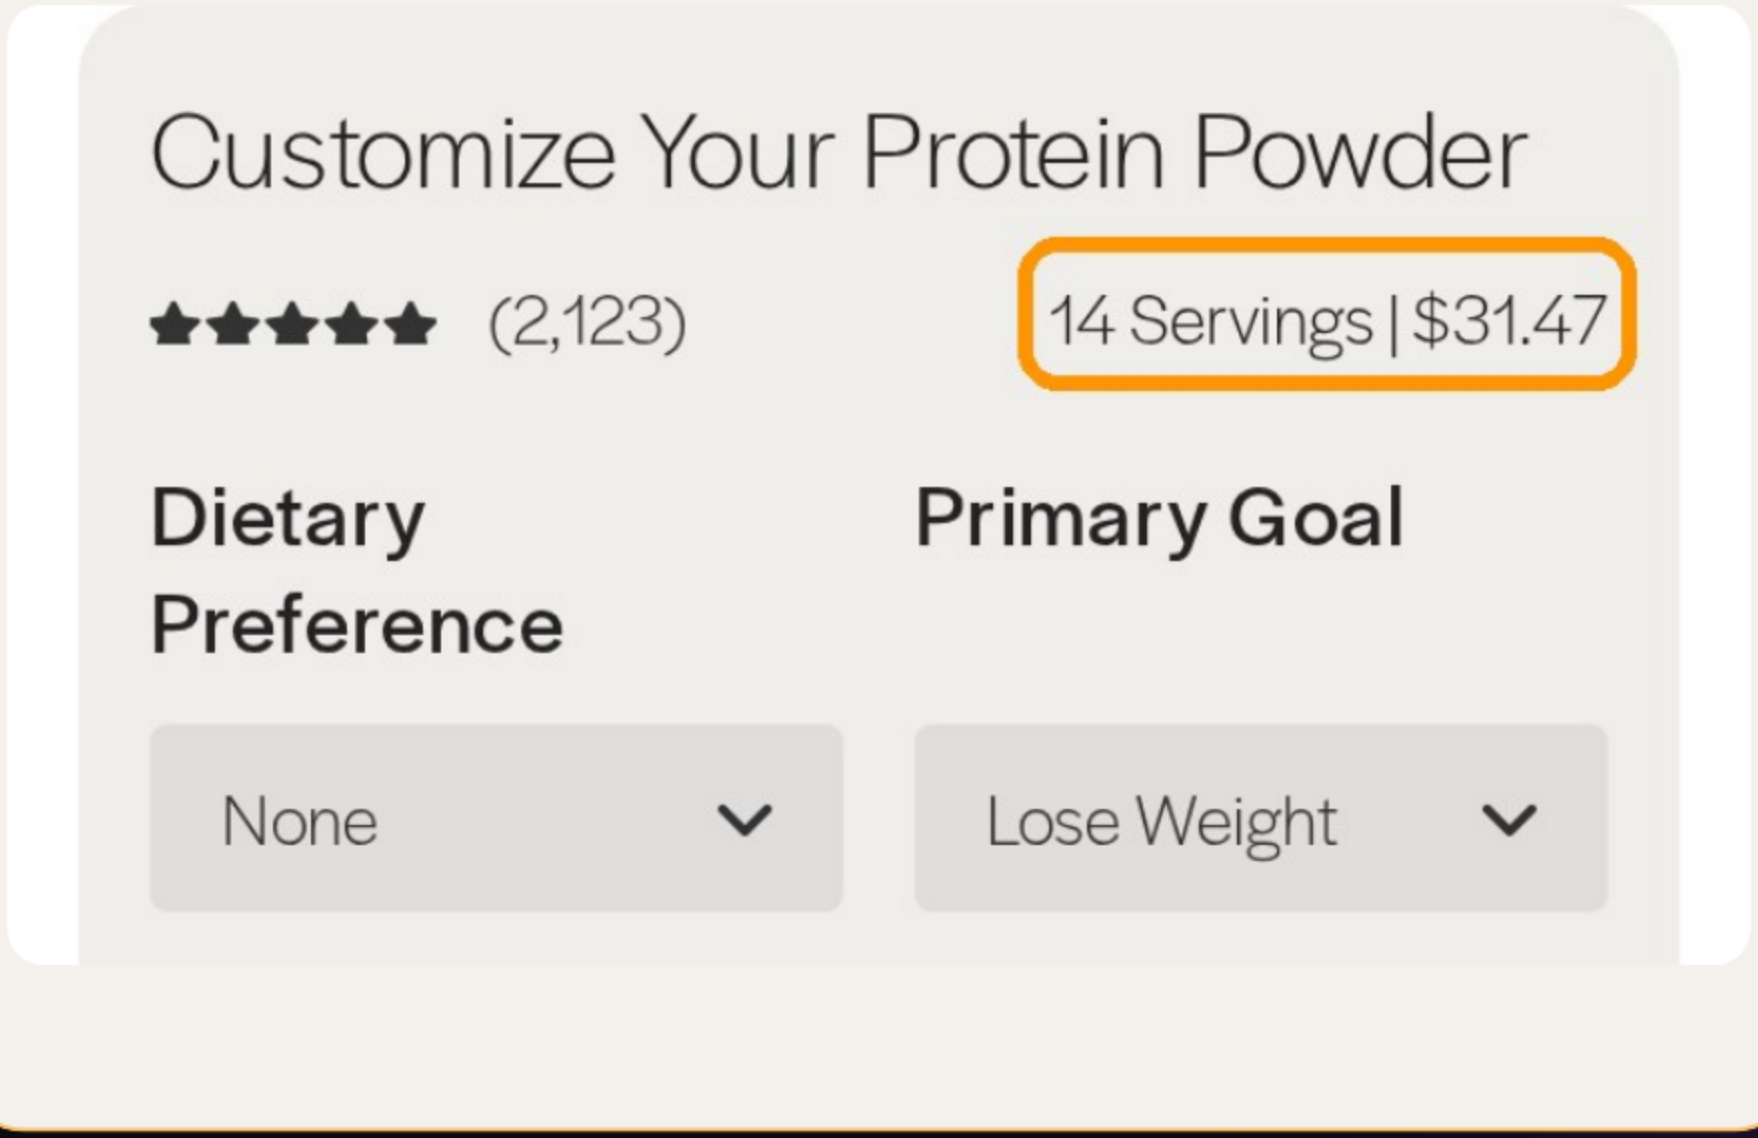

myobvi.com, captured Aug 2026

Test the first screen on a real phone, every app on.

LEAK #4

Your price is whispering.

gainful.com, captured Aug 2026

Give the price its own line by the button.

Which leak is on yours?

I audit Shopify first screens on a real phone, before the sale weeks.

Get a CRO audit →

Check your first screen on a phone.

Save this before Black Friday.
