Phone QA. 3 checks.

A quick phone pass, built from real audit screens.

TAPRO

BEBEMOSS

KYTE BABY

Public-site audits. Not client work.

BEBEMOSS

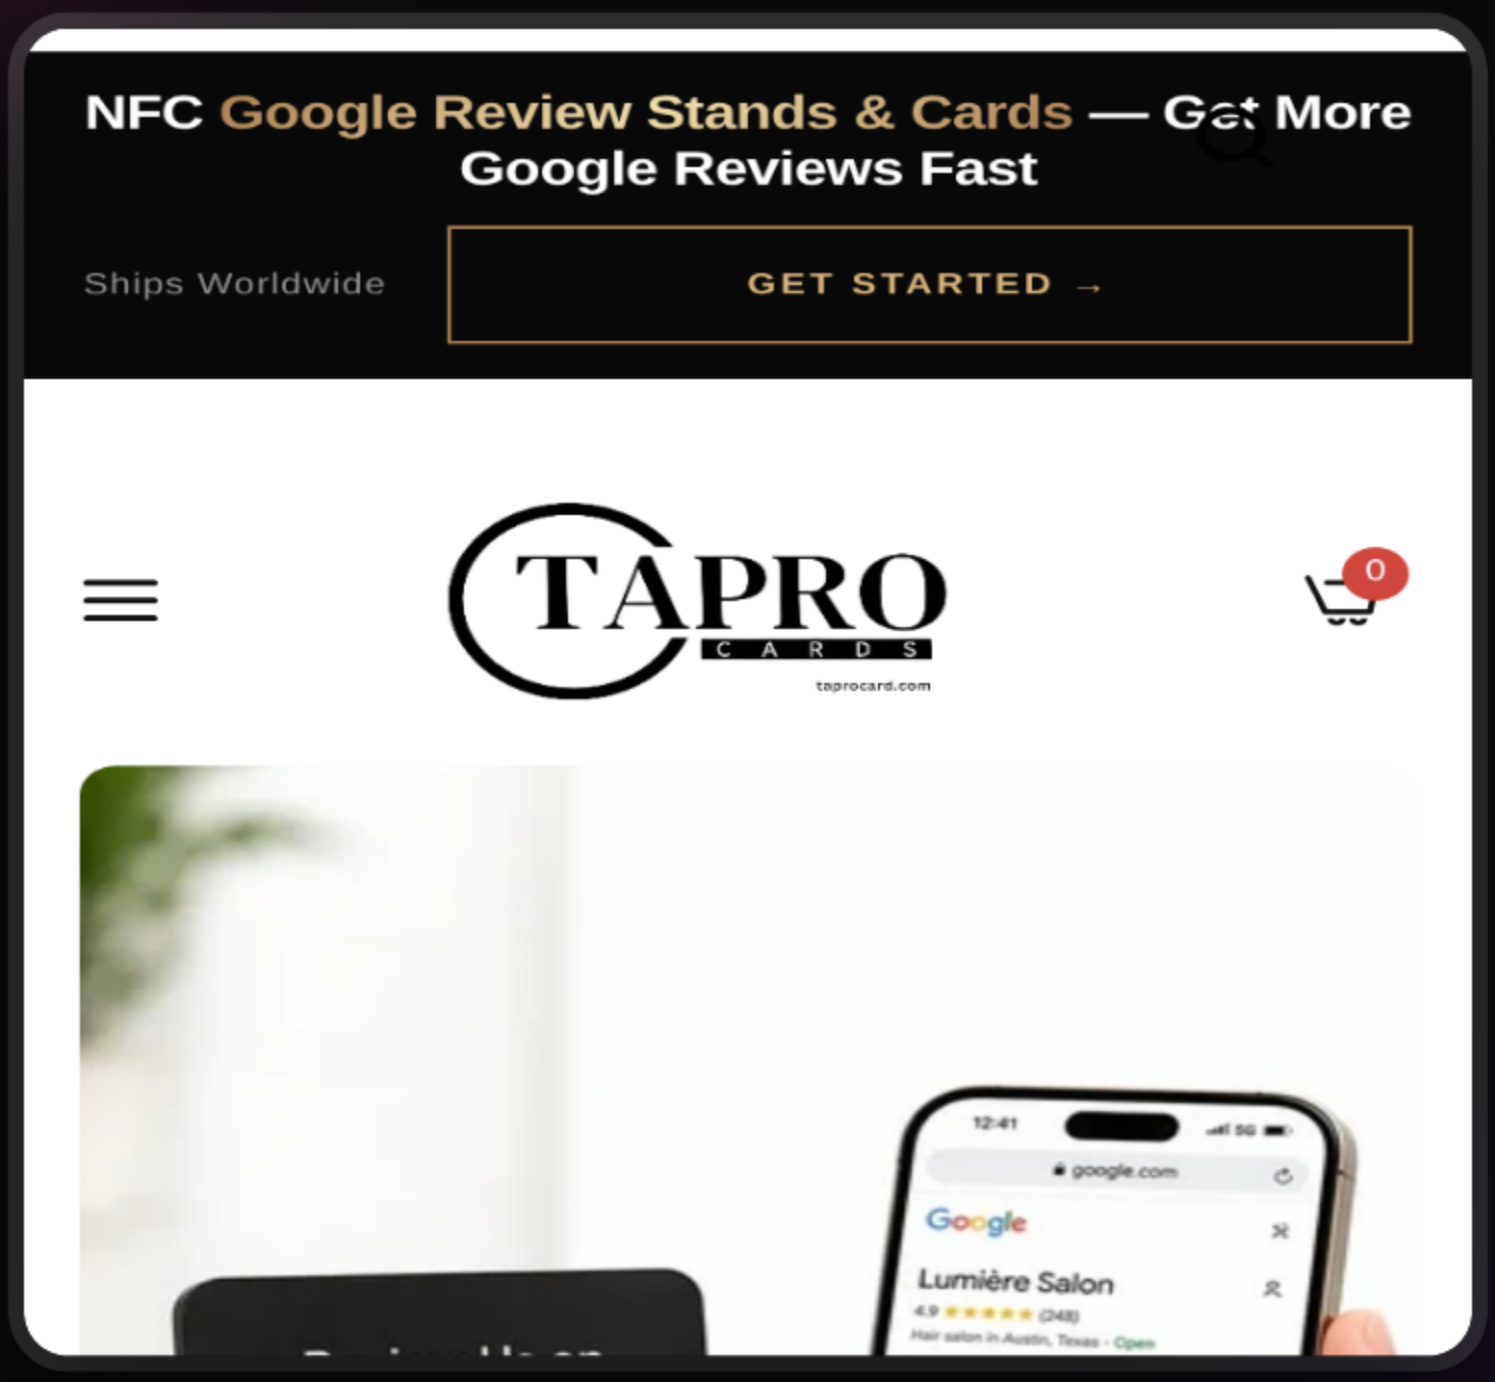

Offer tab hides price.

Collection page audit.

TAPRO

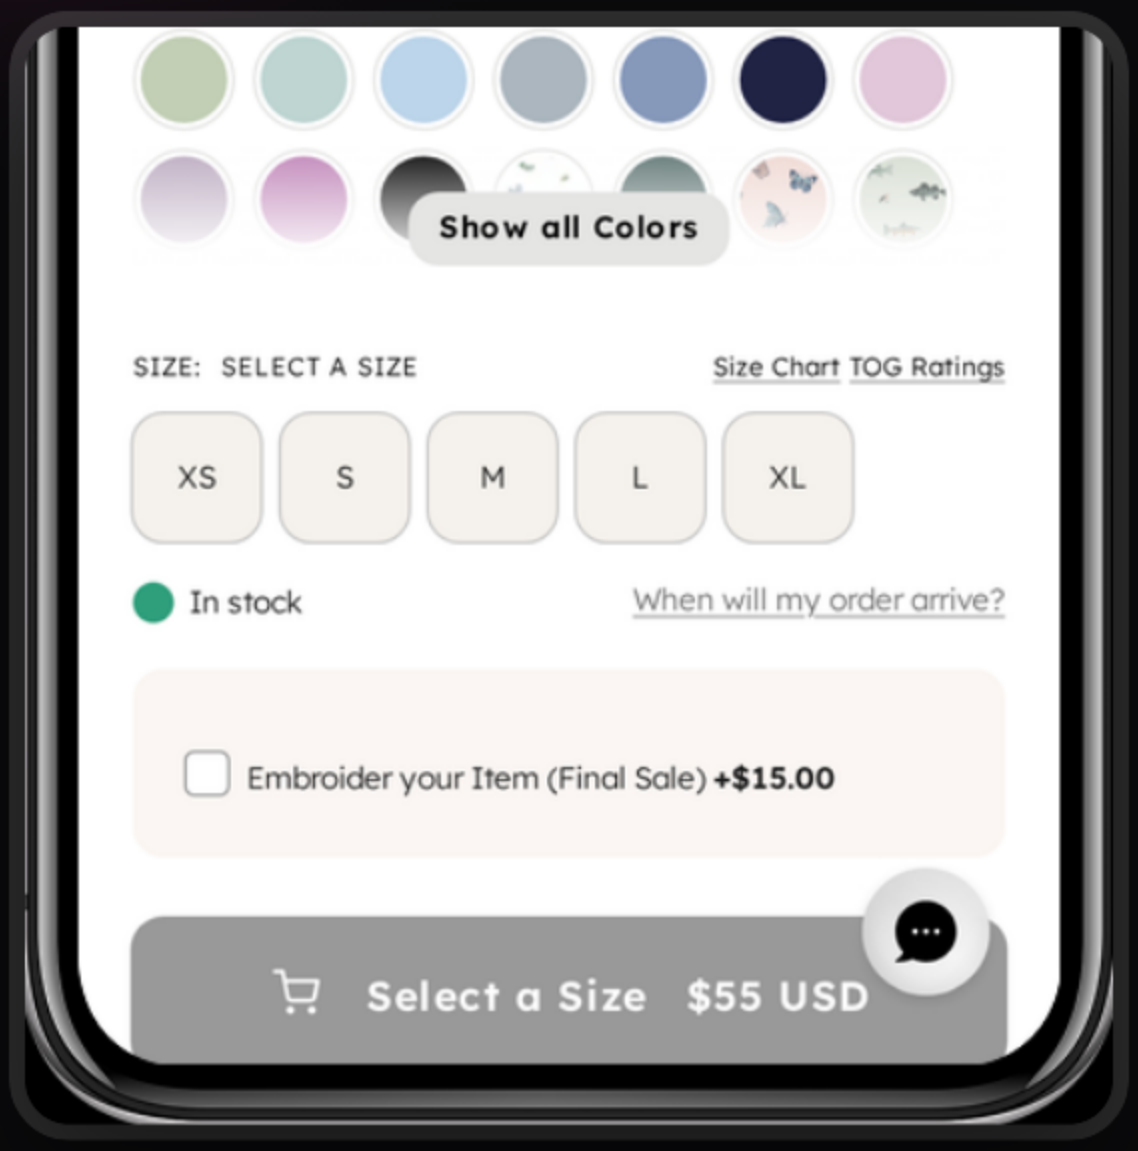

Search icon over text.

The audit found a duplicate search icon.

KYTE BABY

Looks disabled.

The audit found it was tappable. The visual state was the problem.

Product page audit.

Tap.
Then check.

01 Scroll to the product grid.

02 Check what overlaps the choice.

03 Tap the option and watch its state.
