The mission ate the whole first screen.

bebemoss.com - soft toys collection, mobile. CRO teardown by @koolestpro

BEFORE

AFTER

What I moved, kept and what I cut.

1 Collection finally has a name

2 Mission down to one line

3 Six ranges, now tappable

4 Sort by price, new

5 Name and price at the fold

6 Header and breadcrumb kept

7 Four toys before any scroll

8 Save pill clear of the text
